FF STANDARD GRAY

SURFACE FINISH

NATURAL FINISH

NATURAL SURFACE FINISH

All concrete products produced are precast with a naturally pitted surface finish unique to each product cast. FF concrete products should not be considered "water proof" and may further develop an aged appearance in exterior environments, depending on climatic exposure.

DISCLAIMER

This pdf is a representation of colors and tones which will vary based on the individual calibration of digital monitors, smart devices, and printers utilized to view and reproduce this information. Finished product colors can vary slightly and appear muted. Manufacturer samples are available for evaluation, with a limit of up to 4 different colors per project request. Lead time may apply based on in-house availability of samples at time of request.
